</tbody>
</table>

NOTE: Detailed Technical Specifications of Display Units are mentioned in Section –D.

A.2. Scope:
Supply, installation and maintenance of Display Units required for Dr. MCR HRD Institute of Telangana, Jubilee Hills, Hyderabad.
A.3. Maintenance:
Successful bidder has to Supply, Install and Maintain all the items supplied including re-installation in case of any problem in installation / maintenance.

In case the supplied items are down and not working, same need to be repaired and restored for normal functioning otherwise replace with equivalent / higher configuration with latest specifications as per Service Level Requirements in SLA, failing which penalty will be recovered from Performance Security as per Clause C.15.

A.4. Delivery and Installation period:
Successful Bidder shall deliver the goods/services within Three (3) weeks from the date of issue of NoA. The items are to be delivered at Dr. MCR HRD Institute of Telangana, Jubilee Hills, Hyderabad.

A.5. Warranty:
Three (3) years Onsite Comprehensive warranty for all the items supplied including Spare-Parts/Service/ Labour /On-site from the date of successful installation of items supplied. During warranty period the supplier should conduct the Preventive Maintenance once in three months besides attending the service calls reported time to time during the warranty period.

SLA for performance during maintenance period:

1. The original call log for all the logged calls of complaints & calls closed status should be sent by email to TSTS/User Department on fortnightly basis for monitoring.

2. Along with the above mentioned call log, a date wise abstract of calls logged and repair status within SLA and outside SLA should be provided to TSTS in the following format with supporting call reports duly signed by the user:

<table>
<thead>
<tr>
<th>Date</th>
<th>No. of calls logged</th>
<th>Within 24 hrs</th>
<th>Within 48 hrs</th>
<th>Within 72 hrs</th>
<th>Within 96 hrs</th>
<th>Within 5 days</th>
<th>Within 10 days</th>
<th>Within 15 days</th>
</tr>
</thead>
</table>

The above table may be used for calculation of penalties for not meeting the SLA requirements during maintenance/warranty period. In case the information is not provided as mentioned above, a penalty of 1% per week up to a maximum of 10% will be levied until the information is provided.

3. Persistent complaints from the user department during the warranty period relating to the improper service will be sufficient ground for the TSTS to blacklist the supplier from participating in the future tenders.

Note:

1. Representations received from the bidders within 3 days from the date of opening of technical bids on the issues related to Pre-qualification/Technical bids evaluation and within a day from the date of opening of commercial bids on the issues related to the commercial bid evaluation will only be accepted. Representations received beyond this period will not be considered and strictly rejected.

2. The bidder should upload all the required documents with clear visibility, avoid missing documents and avoid bidding mistakes. In such cases, TSTS reserves it's right in seeking clarification from the bidder and may disqualify the bidder for the bidding mistakes, missing documents and for the documents that are not clear.

Section H

Standard procedure for opening and evaluation of bids

H.1. Out line of bid evaluation procedure
1. The bid opening and evaluation process will be sequential in nature. Means that bidder must qualify a particular stage to be eligible for next stage. Immediately after the closing time, the TS contact person shall open the Pre-qualification bids in e-procurement portal and list them for evaluation. Technical bids of only those bidders whose bids are qualified in Pre-qualification stage, will be opened for evaluation. Finally financial bids of those bidders will be opened whose bids are qualified/short listed after Technical Evaluation stage.

2. In case of composite bid – technical and financial bids combined together, first technical evaluation will be done followed by financial evaluation of only those bids, which have qualified in technical evaluation.

3. Any participating bidder may depute a representative to witness these processes.

4. The standard procedure, described here will stand appropriately modified, in view of special procedures of bid evaluation as mentioned in tender call or elsewhere in this bid document or TS may deviate from these in specific circumstances if it feels that such deviation are unavoidable, or will improve speed of processing and consequent project execution.

H.2. General Guidelines for bid opening and evaluation:

Bids will be in three parts (pre-qualification, technical and financial) or two parts (Technical and financial) or composite bid (technical and financial bid together) as indicated in the tender call. For three part bids there will be three bid opening events, in two part bid there will be two bid opening events and in case of composite bids there will be only one bid opening event. Following guidelines will generally be followed by TS officers at each such event. However TS may deviate from these in specific circumstances if it feels that such deviation are unavoidable, or will improve speed of processing and consequent project execution.

Opening of bids
Bids will be opened on the e-Procurement web site at the scheduled date & time.

a) The bidders names, bid modifications or withdrawals, discounts, and the presence or absence of requisite bid security and such other details as the TS officer at his/her discretion, may consider appropriate, will be announced at the opening. No bid shall be rejected at bid opening, except for late bids, which shall be returned unopened.

b) Bids that are not opened and read out at bid opening shall not be considered further for evaluation, irrespective of the circumstances. Withdrawn bids will be returned unopened to the bidders.

c) Preliminary examination of Bids:

1. Preliminary scrutiny will be made to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the bids are generally in order.

2. Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total
price shall be corrected. If the bidder does not accept the correction of the errors, its bid will be rejected and its bid security may be forfeited. If there is a discrepancy between words and figures, the amount in words will prevail.

3. TSTS may waive any minor informality, nonconformity or irregularity in a bid which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any bidder.

4. Prior to the detailed evaluation, TSTS will determine the substantial responsiveness of each bid to the bidding documents. For purposes of these clauses, a substantially responsive bid is one which conforms to all the terms and conditions of the bidding documents without material deviations.

5. If a bid is not substantially responsive, it will be rejected by the TSTS and may not subsequently be made responsive by the bidder by correction of the nonconformity.

d) Clarification of bids
During evaluation of the bids, TSTS may, at its discretion, ask the bidder for clarification of its bid.

e) Evaluation of Pre – qualification bids
Pre – qualification bid documentation shall be evaluated in two sub-steps.

a. Firstly, the documentation furnished by the bidder will be examined prima facie to see if the technical skill base and financial capacity and other bidder attributes claimed therein are consistent with the needs of this project.

b. In the second step, TSTS may ask bidder(s) for additional information, visit to bidders site and/or arrange discussions with their professional, technical faculties to verify claims made in technical bid documentation.

f) Evaluation of technical bids
Technical bid documentation shall be evaluated in two sub-steps.

a. Firstly, the documentation furnished by the bidder will be examined prima facie to see if the offer made, technical skill base and financial capacity and other bidder attributes claimed therein are consistent with the needs of this project.

b. In the second step, TSTS may ask bidder(s) for additional information, visit to bidders site and/or arrange discussions with their professional, technical faculties to verify claims made in technical bid documentation.

g) In lab proof of concept
The in lab proof of concept on demand may be organized either in TSTS or in the bidder’s lab by mutual discussion. In case it is organized in TSTS lab, TSTS would make available generic hardware for this purpose. Application specific hardware and software will have to be brought in by the bidder.

h) Field demonstration
TSTS will identify a part or segment of the proposed project site. The concerned bidder, on demand, should be able to demonstrate functional requirements as described in the specifications.

i) Evaluation of financial bids
Financial bids of those bidders who satisfy all phases of the pre-qualification and technical bid and corresponding to chosen technical bid choices will only be opened. All other financial bids will be ignored. TSTS will assess the nature of financial offers and may pursue any or all of the options mentioned under financial
bid TSTs may at its discretion discuss with bidder(s) available at this stage to clarify contents of financial offer.

j) **Evaluation and comparison of financial bids**
   1. Evaluation of financial bids will exclude and not take into account any offer not asked for or not relevant to the present requirements of user.
   2. Evaluation of financial bid will take into account, in addition to the basic bid price, one or more of the following factors:
      a) The projected costs for the entire contract period;
      b) Past track record of bidder in supply/ services and
      c) Any other specific criteria indicated in the tender call and/or in the specifications.

2. Any effort by a bidder to influence TSTs officers in the decisions on bid evaluation, bid comparison or contract award may result in rejection of the bidder’s offer and bidder may also be marked as ineligible for future bids. If the bidder wishes to bring additional information to the notice of the TSTs, it should do so in writing.

**H.5. TSTs' right to vary quantities at time of award**
TSTs reserves the right at the time of award to increase or decrease the quantity, as indicated in tender call, from the quantity of goods and services originally specified in the specification without any change in unit price or other terms & conditions.

**H.6. TSTs' right to accept any bid and to reject any or all bids.**
TSTs reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to award of contract, without thereby incurring any liability to the affected bidder(s) or any obligation to inform the affected bidder(s) of the grounds for such decision.

**H.7. Notification of award**
a. Prior to expiration of the period of bid validity, TSTs will notify the successful bidder in writing, that its bid has been accepted.
b. Upon the successful bidder’s furnishing of performance security, TSTs will promptly notify each unsuccessful bidder and will discharge its bid security.

**H.8. Signing of contract**
a. At the same time as the TSTs notifies the successful bidder that its bid has been accepted, the TSTs will send the bidder the Contract Form provided in the bidding documents, incorporating all agreements between the parties.
b. On receipt of the Contract Form, the successful bidder shall sign and date the contract and return it to the TSTs.
H.9. Performance security
   a. On receipt of notification of award from the TSTS, the successful bidder shall furnish the performance security in accordance with the conditions of contract, in the performance security form provided in the bidding documents or in another form acceptable to the TSTS.
   b. Failure of the successful bidder to sign the contract, proposed in this document and as may be modified, elaborated or amended through the award letter, shall constitute sufficient grounds for the annulment of the award and forfeiture of the bid security, in which event the TSTS may make the award to another bidder or call for new bids.

H.10. Corrupt, fraudulent and unethical practices
   a. “Corrupt practice” means the offering, giving, receiving or soliciting of any thing of value to influence the action of a public official in the process of contract execution and
   b. “Fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to detriment of the purchaser, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Purchaser of the benefits of free and open competition:
   c. “Unethical practice” means any activity on the part of bidder, which try to circumvent tender process in any way. Unsolicited offering of discounts, reduction in financial bid amount, upward revision of quality of goods etc after opening of first bid will be treated as unethical practice.
   d. TSTS will reject a proposal for award and also may debar the bidder for future tenders in TSTS, if it determines that the bidder has engaged in corrupt, fraudulent or unethical practices in competing for, or in executing a contract.

The bidder will test all hardware operations and accomplish all adjustments necessary for successful and continuous operation of the computer hardware at all installation sites.

**I.15. Incidental services**

1. The Bidder may be required to provide any or all the following services, including additional services:
   a. Performance or supervision or maintenance and/or repair of the supplied goods and services, for a period of time agreed by the parties, provided that this service shall not relieve the Bidder of any warranty obligations under this Contract, and
   b. Training of TSTS and/or its user organization personnel, at the Bidder’s site and/or on-site, in assembly, start-up, operation, maintenance and/or repair of the supplied goods and services.
   c. Prices charged by the Bidder for the preceding incidental services, if any, should be indicated separately (if required), and same will be mutually negotiated separately.
I.16. **Spare parts**

1. The Bidder may be required to provide any or all of the following materials, notifications and information pertaining to spare parts manufactured or distributed by the Bidder.

2. Such spare parts as the TSTTS may elect to purchase from the Bidder, provided that this election shall not relieve the Bidder of any warranty obligations under the contract and

3. In the event of termination of production of the spare parts, an advance notification to the TSTTS of the pending termination, in sufficient time to permit the TSTTS to procure needed requirements and

4. The Bidder shall ensure availability of spares in stock at his nearest service centre for immediate delivery such spare parts as: (a) are necessary for a minimum of 5 years of operation after installation at the Purchaser’s sites (b) are necessary to comply with specifications.

I.17. **Warranty**

1. The Bidder warrants that the goods and services supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The Bidder further warrants that all goods and services supplied under this contract shall have no defect arising from design, materials or workmanship or from any act or omission of the Bidder, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.

2. The warranty period shall be as stated in bid document. The Bidder shall, in addition, comply with the performance guarantees specified under the contract. If, for reasons attributable to the Bidder, these guarantees are not attained in whole or in part, the Bidder shall, make such changes, modifications, and/or additions to the goods or any part thereof as may be necessary in order to attain the contractual guarantees specified in the contract at its own cost and expenses and to carry out further performance tests.

3. The equipment supplied should achieve required up time.

4. TSTTS/user shall promptly notify the Bidder in writing of any claims arising under this warranty.

5. Upon receipt of such notice, the Bidder shall, within the period specified in GCC and with all reasonable speed, repair or replace the defective goods and services or parts thereof, without costs to the user.

6. If the Bidder, having been notified, fails to remedy the defect(s) within a reasonable period, the TSTTS/user may proceed to take such remedial action as may be necessary, at the bidder’s risk and expense and without prejudice to any other rights which the TSTTS/user may have against the Bidder under the contract.

I.18. **Maintenance service**

1. Free maintenance services including spares shall be provided by the bidder during the period of warranty. User, at its discretion may ask the bidder to provide maintenance services after warranty period, i.e. Annual maintenance and repairs of the system at the rates indicated by bidder in its proposal and on being asked so, the bidder shall provide the same. The cost of annual maintenance and repairs
cost (after warranty period), which will include cost of spares replaced, shall be paid in at the end of each year.

2. The maximum response time for maintenance complaint from any of the destination (i.e. time required for supplier’s maintenance engineers to report to the installations after a request call/telegram is made or letter is written) shall not exceed 48 hours.

3. The bidder will accomplish preventive and breakdown maintenance activities to ensure that all hardware, and firmware execute without defect or interruption for at least required up time.

4. In case up time is less than the stipulated up time, penalty as indicated in the bid document shall be imposed on the bidder.

5. The amount of penalty if any, will be recovered at source from the performance guarantee during the warranty or from annual maintenance charges payable as the case may be.

I.19. Payment

1. The bidder’s request(s) for payment shall be made to the TSTS in writing, accompanied by an invoice describing, as appropriate, the goods/service delivered/ performed.

2. Payments shall be made promptly by the TSTS, but in no case later than (30) days after submission of a valid invoice or claim by the bidder.

3. The currency of payment will be Indian rupees.

4. Payment shall be made as indicated in Bid document.

5. The annual maintenance and repair cost as per separate agreement if any, shall be paid in equal quarterly installments at the end of each quarter as per the rates quoted and agreed.

6. Payment will be made through Cheque / Online.

I.20. Prices

Prices charged by the Bidder for goods delivered and services performed under the contract shall not vary from the prices quoted by the Bidder in its bid, with the exception if any price adjustments authorized in special conditions of contract or in the request for bid validity extension, as the case may be.

I.21. Change orders

TSTS may, at any time, by written order given to the Bidder, make changes within the general scope of the Contract in any one or more of the following:

i. Drawing, designs, or specifications, where Goods to be supplied under the Contract are to be specifically manufactured for the TSTS;

ii. The method of shipment or packing;

iii. The place of delivery and/or the services to be provided by the Bidder. If any such change causes an increase or decrease in the cost of, or the time required for, the bidder’s performance of any provisions under the contract, an equitable adjustment shall be made in the contract price or delivery schedule, or both, and the contract shall accordingly be amended. Any claims by the Bidder for adjustment under this clause must be asserted within thirty (30) days from the date of the Bidder’s receipt of the change order.
I.22. Contract amendment
No variation in or modification of the terms of the Contract shall be made except by written amendment signed by the parties.

I.23. Assignment
The Bidder shall not assign, in whole or in part, its obligations to perform under this Contract, except with the prior written consent from TSTS.

I.24. Subcontracts
The Bidder shall notify the TSTS in writing of all subcontracts awarded under this contract if not already specified in the bidder’s proposal. Such notification, in the original bid or later, shall not relieve the Bidder from any liability or obligation under the contract. Subcontract shall be only for bought-out items and sub-assemblies.

I.25. Delays in the supplier’s performance
1. Delivery of the Goods and performance of the services shall be made by the Bidder in accordance with the time schedule specified by the TSTS in the specifications.
2. If at any time during performance of the Contract, the Bidder or its subcontractor(s) should encounter conditions impending timely delivery of the goods and performance of services, the Bidder shall promptly notify the TSTS in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the bidder’s notice, TSTS shall evaluate the situation and may at its discretion extend the Bidder’s time for performance, with or without liquidated damages.
3. A delay by the Bidder in the performance of its delivery obligations shall render the bidder liable to the imposition of appropriate liquidated damages, unless an extension of time is agreed upon by TSTS without liquidated damages.

I.26. Liquidated damages
If the Bidder fails to deliver any or all of the goods or perform the services within the time period(s) specified in the Contract, the TSTS shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to, as per the terms indicated in the bid document, until actual delivery or performance, subject to maximum limit. Once the maximum is reached, the TSTS may consider termination of the contract.

I.27. Termination for default
1. The TSTS, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Bidder, may terminate the Contract in whole or in part:
   a. if the Bidder fails to deliver any or all of the Goods/services within the time period(s) specified in the contract, or within any extension thereof granted by the TSTS pursuant to Clause 25 of GCC or
   b. if the Bidder fails to perform any other obligation(s) under the Contract or
c. if the Bidder, in the judgment of the TSTS has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

2. In the event the TSTS terminated the contract in whole or in part, TSTS may procure, upon such terms and in such manner as it deems appropriate, goods or services similar to those undelivered, and the Bidder shall be liable to the TSTS for any excess costs for such similar goods or services. However, the Bidder shall continue performance of the contract to the extent not terminated.

I.28. Force majeure
1. The Bidder shall not be liable for forfeiture of its performance security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.
2. For purposes of this clause, “Force Majeure” means an event beyond the control of the Bidder and not involving the Supplier’s fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the TSTS in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
3. If a Force Majeure situation arises, the Bidder shall promptly notify the TSTS in writing of such condition and the cause thereof. Unless otherwise directed by the TSTS in writing, the Bidder shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

I.29. Termination for insolvency
TSTS, may at any time terminate the contract by giving 30 days written notice to the Bidder if the Bidder becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the Bidder, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the TSTS.

I.30. Termination for convenience
1. TSTS, may at any time by giving 30 days written notice to the Bidder, terminate the Contract, in whole or in part, for its convenience. The notice of termination shall specify that termination is for the TSTS/Purchaser’s convenience, the extent to which performance of the Bidder under the Contract is terminated, and the date upon which such termination becomes effective.
2. The goods that are complete and ready for shipment within thirty (30) days after the bidder’s receipt of notice of termination shall be accepted by the TSTS at the contract terms and prices. For the remaining Goods, the TSTS may elect to have any portion completed and delivered at the contract terms and prices at its discretion.
I.31. Resolution of disputes
1. The TSTS and the Bidder shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the contract.
2. If, after thirty (30) days from the commencement of such informal negotiations, the TSTS and the Bidder have been unable to resolve amicably a contract dispute, either party may require that the dispute be referred for resolution to the formal mechanisms specified here in. These mechanisms may include, but are not restricted to, conciliation mediated by a third party.
3. The dispute resolution mechanism shall be as follows:
4. In case of a dispute or difference arising between the TSTS and the Bidder relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Arbitration and Conciliation Act, of India, 1996.

I.32. Governing language
The contract shall be written in English or Telugu. All correspondence and other documents pertaining to the contract which are exchanged by the parties shall be written in same languages.

I.33. Applicable law
The contract shall be interpreted in accordance with appropriate Indian laws.

I.34. Notices
1. Any notice given by one party to the other pursuant to this contract shall be sent to the other party in writing or by telex, email, cable or facsimile and confirmed in writing to the other party’s address.
2. A notice shall be effective when delivered/tendered to other party whichever is earlier.

I.35. Taxes and duties
The bidder shall be entirely responsible for all taxes, duties, license fee Octroi, road permits etc. incurred until delivery of the contracted Goods/services at the site of the user or as per the terms of tender document if specifically mentioned.

I.36. Licensing considerations
The software mentioned in the Schedules of Requirement will be used throughout the state of Telangana or user’s sites even outside Telangana State.

I.37. Protection against damages- site conditions:
1. The system shall not be prone to damage during power failures and trip outs. The normal voltage and frequency conditions available at site are as under:
   a. Voltage 230 Volts
   b. Frequency 50Hz.
2. However, locations may suffer from low voltage conditions with voltage dropping to as low as 160 volts and high voltage conditions with voltage going as high as 220 + 20% volts. Frequency could drop to 50Hz + 2%. The ambient temperature may vary from 10°C to 48°C. The relative humidity may range in between 5% to 95%.
3. The goods supplied under the contract should provide protection against damage under above conditions.

I.38. Fail-safe procedure
The bidder should indicate in detail fail-safe procedure(s) for the following:
   1. Power failure
   2. Voltage variation
   3. Frequency variation
   4. Temperature and humidity variations.

I.39. Training:
For each hardware and software component installed, the Bidder may be required to train the designated TS and user personnel to enable them to effectively operate the total system. The training, if required, shall be given, as specified in the SCC at the locations specified. The training schedule will be agreed to by both parties during the performance of the Contract.

I.40. Site Preparation and Installation:
The Purchaser is solely responsible for the construction of the installation sites except where it is specifically required under bid document. The bidder will designate to perform a site inspection to verify the appropriateness of the sites before the installation of every hardware related item.

Form P7 - Declaration Regarding Clean Track Record

To,
The Managing Director
Telangana State Technology Services Limited
2nd Floor, HACA Bhavan, Opp. Public Garden,
Hyderabad 500004, Telangana, India

Sir,

I have carefully gone through the Terms & Conditions contained in the RFP Document [No.________________]. I hereby declare that my company/Consortium Partners has not been debarred/ black listed as on Bid calling date by any State Government, Central Government, Central & State Govt. Undertakings/enterprises/Organizations and by any other Quasi Government bodies/Organizations, World Bank and any other major Enterprise/Organizations in India for non-satisfactory past performance, corrupt, fraudulent or any other unethical business practices. Further, declaring that no cases pending against the firm/organization either in Government (State or Union) or as mentioned above for involvement in cases for supply of sub-standard goods/material or track record of supply of inferior quality or no enquiries on past supplies are being conducted or underway. I further certify that I am competent officer in my company to make this declaration.

Yours faithfully,
